## Fort Pierce Squad And Devils Tonite

In their ninth quest for a win, the Pahokee Blue Devils journey to Fort Pierce tonight where they will play Dan McCarthy high school on the Fort Pierce gridiron. The local chaps have gone thus far through the entire season without a win and the Pellmen are in for severe opposition tonight, according to statistics in the conference.

Last Friday night the visiting Palm Beach High Wildcats ran up a score of 30 points over the Blue Devils while the local aggregation was unable to cross the Wildcat goal line. A good sized crowd was on hand for the game and, of course, were hopeful that a victory would be the final outcome but their hopes were dashed by the final 30-0 score.

The Devils have scored only 24 points this season against their opposition while that same opposition has been garnering a total of 147 points.

Always there to spur the locals on, the Pahokee High School Band has been giving some excellent performances this season under the direction of Robert O. Lampi. No matter what the fortunes of the football team, the FHS band is always out front with spicy demonstrations and outstanding music for the foot ball encounter.

The annual Thanksgiving eve game between the Pellman and the Belle Glade Golden Rams will be played on Lair Field next Wednesday night at 8 o'clock.

## Pahokee Youths Serving In Spain

STEEL PIKE (FHTNC)—Marine Corporal James R. McElhenry, son of Mr. and Mrs. George C. McElhenry and Lance Corporal David J. Fountain, son of Mr. and Mrs. M. J. Fountain both of Pahokee are visiting parts in the European area following participation in the largest amphibious combat training exercise in the Atlantic since World War II.

They are serving with the First Battalion, Sixth Regiment, Second Marine Division, Camp Lejeune, N. C.

The operation, called "Steel Pike," featured U. S. and Spanish Marines landing from landing craft and helicopters of a combined U. S.-Spanish Fleet of 94 vessels which included ships of the United States Military Sea Transport Service and chartered ships of the U. S. Merchant Fleet.

The mock assault on the beaches of Southern Spain was staged by Marines of the Second Marine Division, Second Marine Aircraft Wing and Force Troops, Fleet Marine Force, Atlantic, along with a battalion of Spanish Marines.

## STEAK SUPPER

The Xi Beta Tau chapter held a steak supper at the home of Mrs. Elena Mindlin, Tuesday evening with husbands attending as guests. Mrs. Clark Wilkins presented the program on "Wardrobe Planning."

Mrs. John Padgett has returned from Germany where she spent several months with her parents and other relatives.

## Power Exchange Signed By Concerns

TAMPA — A power exchange agreement has been signed between Florida Power Corporation of St. Petersburg and Tampa Electric Co. to provide Florida Power with a total of 200,000 kilowatts of power capacity from Tampa Electric during 1967-1969.

The announcement was made by President W. J. Clapp of Florida Power Corp. and W. C. MacInnes, president of Tampa Electric. "This is one of the methods available to us to help hold down the cost of electricity," they said. The two executives pointed out the agreement will enable Florida Power to postpone the necessity of financing a new unit for one full year and it will enable TECO to purchase a larger and more efficient unit than would have been feasible without the agreement.

## Airport Plans To Move Ahead Fast

The Palm Beach County Commission this week decided to move ahead with construction of a new terminal complex at International Airport on a location approved by the Federal Aviation Agency.

Two possible sites for a new terminal have been under consideration—one on the northeast, end of the area and a second—favored by FAA—at a more central location on the field.

Recently the commission reviewed the possibility of using an airport ramp adjacent to the more eastern location as a means of saving construction costs on the complex.

Commissioner E. F. Van Kessel, member of the board's airport committee, told the commission this week that after consulting with all people concerned with the project, the FAA location seemed to be the most feasible.

Van Kessel said that use of the existing ramp for parking area of heavy planes and for other associated uses, will make it possible for the county to gain something of value from the hard surface area even though its not used 100 percent for the terminal complex.

The commission voted to proceed with contracted plans for the terminal in an effort to avoid any delay that could carry completion of the complex beyond the target date of January, 1966.

Van Kessel also reported that the land hurdle had been removed by the Defense Department for turning over 640 acres of airport (Continued on page 8)

## Jaycees Sponsor Circus Saturday

The Pahokee Jaycees are sponsoring a circus Saturday, Nov. 21 on the Elks grounds. Performances will begin at 2 p. m. and 8 p. m. Advance tickets are being sold by the Jaycees or can be obtained from one of the following places of business: Rashley Dry Cleaning, W. S. Benton Appliances; Collins Furniture Store or Gamot Insurance Agency. Admission is 50c for children, \$1.00 adults and \$1.50 for reserved seats.

## Celery Is Rolling, Corn Sells \$3.50

That delectable weed—celery—is going to be in plentiful supply for the folks up north Thanksgiving week, according to advices reaching our agricultural editor this week. The Glades price is running \$2.75 to \$3.00 per crate.

The Sam Senter Farms and Wedgworth Farms were both in production this week with celery and other large growers will bring in their crop within the next few days, it was pointed out. Some celery has been sent to northern markets already by other growers in the area.

Celery ranked second to sweet corn dollarwise last season, although there were more carloads of celery shipped from this area. The sweet corn crop produced \$15,889,758 from 8,461 carloads shipped. Celery shipments totalled 9,969 cars.

As operations began on the Senter acreage, Jim Lashley, a federal-state inspector, was on hand to check the quality of the product being placed on the market.

There has been selling for \$3.50 per crate during the present week and producers are hopeful that it will not go any lower during these few remaining days before Thanksgiving.

Most beans have been going to the canners this week.

## Hap Parson Named To Sumter Position

Director of the Florida Division of Corrections, Louie L. Wainwright, announced today that L. P. Parson was promoted from Assistant Superintendent at Glades Correctional Institution, Belle Glade, to the position of Superintendent of the new Sumter Correctional Institution near Bushnell. Mr. Parson is 55 years of age and was born in Dubuque, Iowa. He was educated in secondary schools in Greenville, Mississippi and Mt. Berry, Georgia and attended the University of North Carolina at Chapel Hill and the University of Miami.

Mr. Parson has been a resident of Florida since 1925 and has had a diversified background in the farm supply business, livestock herd development, and building construction. He was first employed supervising construction at Glades Correctional Institution from 1952 to 1954. He spent four years developing the institution's livestock operation and then served the entire agro-industrial operation as Industries Supervisor over from 1958 to 1961.

On January 1, 1961, Mr. Parson became Assistant Superintendent at Glades Correctional Institution and in that capacity had broad responsibilities in all phases of institutional operation and administration. The Glades Correctional Institution plays a key role in that it provides quantities of vegetables, milk and beef to other state institutions, in addition to its own requirements for foodstuffs.

Mr. Parson will now have the significant responsibility of planning and development of operation (Continued on page 8)

## Navy Is Serving Citrus Substitute

LAKELAND—The Florida Citrus Commission has lodged a protest with high government officials because the U. S. Naval Academy at Annapolis is serving a synthetic to its midshipmen instead of pure orange juice.

General Manager Homer E. Hooks in telegrams to U. S. Secretary of Agriculture Orville Freeman and Senators Holland and Smathers of Florida said he had been advised that the Naval Academy is serving "Awake" to midshipmen as a substitute for orange juice.

"Awake" is a manufactured product whose labeling and advertising would tend to imply that it is an orange juice product, when in fact it is entirely synthetic and has no orange juice in it, the telegram stated.

Advertising of "Awake" has been under fire of the commission and on several occasions they have protested to the Federal Trade Commission that the advertising was deceptive in implying that it is an orange product.

## Auxiliary Group Elects Officers

The newly organized Everglades Memorial Hospital Auxiliary at the meeting in the Community Room of Everglades Federal Wednesday afternoon elected officers to serve through the coming year. Approving the recommendations of the nominating committee, as reported by Mrs. Leon Spooner, the group elected Mrs. Earl Maxson, who has served as temporary chairman during the formative period of the auxiliary, president; Mrs. J. T. Boynton, vice president; Mrs. F. H. Potete, treasurer; Mrs. R. L. Hatton, recording secretary; and Mrs. Rafael Fanjul, corresponding secretary.

Immediately following the election, the officers were installed in an impressive ceremony conducted by Mrs. Flora Mary Hamilton of Lake Worth, District director of hospital auxiliaries, who acted as installing officer. Each officer carried an unlighted miniature candle from the flame of a master candle burning in a large urn as she explained, in turn, the duties of each officer. Mrs. Hamilton, who is the former Flora Mary Weeks of Pahokee, presented to Mrs. Maxson a president's gavel, tied with satin ribbon and pink carnations, the same gavel which she used when she was president of the hospital auxiliary in Lake Worth several years ago. In the presentation of the gavel she expressed her pleasure in being able to participate in the forming of a hospital auxiliary in her own home town and installing its first slate of officers. Mrs. Maxson presented Mrs. Hamilton with a gold pin in appreciation of her services to the auxiliary.

It was reported The Everglades Memorial Hospital Auxiliary is beginning its activities with 66 active members, 10 sustaining members and two life members.

Mrs. Clifford Simonds, Jr., was appointed in charge of obtaining uniforms which will feature pink (Continued on page 8)

## Record This Week Glades Sugar House

The Glades Sugar House—operated by Sugar Cane Growers Cooperative on Airport Road in Belle Glade—set a new continental sugar cane grinding record on Tuesday of this week. The information was made public by the president of the concern—George Wedgworth. A total of 8,696 tons of cane was processed in a 24-hour period for the new record, Mr. Wedgworth said.

A previous high record of 8,432 tons went through the mill previously since its renovation and addition. This record fell by the wayside Tuesday when the new record was set. Mill officials are hopeful that Tuesday's record will also go by the boards in the not too distant future.

The multi-million dollar expansion program, most of which was carried out since the last grinding season, has begun to pay off, according to officials.

There were no figures given as to the actual amount of raw sugar produced from the record grinding. Raw sugar production figures are generally released on the basis of a week's operation.

## County Board Has Busy Week Ahead

Dates, times and places for a number of meetings concerning the county commission, were set this week.

In one action, the board voted to start the regular meeting set for November 23 at 9 a. m. in order that the board can attend a luncheon and tour of the State Mental Hospital at Hollywood on that day.

The board set November 25 at 10 a. m. for a meeting at the Boca Raton city hall to be attended by county and state road board representatives to discuss drainage problems on Camino Real in Boca Raton.

Agreed to meet with representatives of the Butler Aviation Corp., one of the base operators at International Airport to review terms of the company's lease. Date of the meeting was not set.

Instructed the county engineer to set up a meeting with trailer park operators, county building department representatives, civil defense representatives to try and work out a plan for anchoring trailers. The meeting was asked by County Civil Defense Director Ellis Altman who said present methods of anchoring trailers will not stand up during high winds and that a plan should be established to assure protection of lives and property.

## ALVY IS HONORED

Alvy Early, son of Mr. and Mrs. A. E. Early, has been named to the Knights-men's honor service organization at Arkansas A&M college, Monticello, Ark. Membership in the honor group is awarded for scholarship and personality. Early is a member of the A & M football team, playing the halfback position. He is majoring in physical education.

Mrs. Calvin Britton has returned to her home from Hazard, Ky., where she was called by the serious illness of her mother.

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission, in a resolution adopted Monday, called on Haydon Burns, Governor elect, to name a Palm Beach County citizen to the State Road Board.

The resolution, introduced by Commissioner George Warren, pointed out that Palm Beach County is long overdue for this recognition since it has not had a road board member since 1937.

The resolution noted that Palm Beach County "is next in line" for having a citizen named to represent District 4 on the state board. Warren said he would contact all municipalities, chambers of commerce, the Committee of 100 and other county groups to send similar resolutions to Gov.-Elect Burns.

In other actions this week the commission:

Voted to investigate sale of a small plot of airport land near Four Points as the site for a new post office in that area.

Approved and forwarded to the State Road Department, a resolution from the City of Delray Beach asking for construction of an interchange on I-95 and Delray West Road.

Agreed to aid the City of Boynton Beach in construction of some sidewalk by furnishing part of the material.

Referred to County Engineer George Frost, a request from Palm Beach International Raceway for assistance in solving a drainage problem which exists in the area of a new race track being built near the Pratt-Whitney plant.

Voted to delay construction of Lawrence Road until spring so as not to interfere with farming operations in the area.

Voted to resurface 2nd Ave. North between Congress Ave. and Lake Worth West Road.

Took under advisement, a request from Lt. Col. Enoch W.

Hunt that the present National Guard truck storage compound at International Airport not be moved to a new location. Col. Hunt emphasized the importance of having a storage compound suited to keeping the vehicles maintained and ready to move at a moments notice.

The commission agreed not to move the storage area until all concerned agreed that any new location would provide the Guard with a suitable area for maintaining and securing the \$300,000 worth of trucks not kept at the airport.

## Weekie Wachee Has Entirely New Show

BROOKSVILLE—Florida's Weekie Wachee Spring, noted for the daring performances of its mermaids, has a new show, "Alice in Wonderland," at the attraction located just south of Brooksville.

The adaptation of the famed Lewis Carroll book features Alice as she journeys through the underwater wonderland. She meets such different and unusual creatures as the Mad Hat Fish, the Cheshire Catfish and the Barrell Fish Twins, Tweedle Dee and Tweedle Dum.

Then there are the other book characters — the hurrying White Rabbit and the wicked Queen of Hearts. Grand climax comes when Alice is persuaded by the White Rabbit to make a 117-foot depth dive into the canyon and emerges a fullfledged mermaid, allowed to stay with her new-found friends.

The show, produced by Jack and Marilyn Nagle of Miami, features for the first time the new two-way underwater communication system which allows mermaids to talk to the audience. Audiences see the show seated 16 feet below the

water in the spring's million-dollar theatre, which is protected by 429 square feet of glass.

## Presbyterians Have Ruling Elders Job

Joseph W. McIlwain, a teacher in the Pahokee High School and Edward B. McDaniel, president of the Bank of Belle Glade, have been elected Ruling Elders in the Everglades Presbyterian Church of Belle Glade. These men were elected to a three year term of office beginning January 1, 1965.

They will be ordained to the office of Ruling Elder in the Presbyterian Church, U. S. and will join the four incumbent Ruling Elders on the Session of the Everglades Church. The Session is the governing body at the local level in the Presbyterian Church. It is charged, along with the minister, with the general and spiritual oversight of the congregation.

The two men, by virtue of their election to this office, will be eligible to represent the Everglades Presbyterian Church at the quarterly meetings of Presbytery as lay representatives. They may also be elected to serve as lay represent-

atives to the annual meeting of the Synod of Florida of the Presbyterian Church, U. S. and the annual General Assembly of the denomination.

In Florida...  
after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Florida...beer goes with fun, with relaxation  
UNITED STATES BREWERS ASSOCIATION, INC.  
P.O. BOX 772, WEST PALM BEACH, FLORIDA

*A message from the Treasury of a free people*

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

## Mueller-Reynolds December Wedding

Mr. and Mrs. Frank W. Mueller of 123 Flame Ave., Pahokee announce the engagement of their daughter, Aylife Frances, to John Wayne Reynolds, son of Mr. and Mrs. Edward T. Reynolds of Wetumpka, Ala.

Miss Mueller was graduated from Pahokee High School with the class of 1964 and is now attending Palm Beach Junior College. Mr. Reynolds attended high school at Wetumpka and is presently employed by St. N. Knight Farms at Belle Glade. Plans are being made for a late December wedding.

## Sodbusters Hold November Meeting

Mrs. Edgar Wilder was hostess to the Sodbusters when they met for their November meeting Tuesday morning. Mrs. J. T. Boynton was co-hostess. Mrs. Aryan Mayo president, presided at the business meeting at which time Mrs. Wilder and Mrs. George Tucker were appointed liaison members between the Pahokee Garden Club and the Sodbusters.

The December meeting will be held at the home of Mrs. F. H. Potete with each member bringing a Christmas arrangement or gift idea. Following the meeting a luncheon and workshop was held.

## Quality Courts To Expand In Florida

DAYTONA BEACH — Quality Courts Motels, Inc., will open the first of a series of company owned and operated motels in 1965, stockholders were told at the annual meeting recently.

John G. Lacock, president of the company, said construction will begin soon on the first facility in Daytona Beach. The four-story oceanfront structure will contain more than 100 motel rooms, 2 Dobbs House Restaurant, and a accommodations for the company's national headquarters, he said. Plans have also been completed for a second motel in Kansas City, Mo., Lacock added. He indicated that both facilities will be in operation during the second half of 1965.

Although Quality, with more than 500 franchised motels, ranks as one of the nation's largest motel systems, heretofore it has neither owned nor operated motels. Earlier, Quality and Phillips Petroleum Co. announced they will build a series of "one-stop complexes" west of the Mississippi, each to include a motel, service station and restaurant.

Mr. and Mrs. Bob Hasty and children were the weekend guests of his parents in Sanford.

Why should you buy  
 U. S. Savings Bonds when there are  
 so many other good investments?

To help your country is one answer—and a good one. But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

Keep freedom in your future with

Let Your Money Earn 4½% Payable Semi-Annually

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{4}\%$  for the first year and a half; then a guaranteed 4% each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{2}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{2}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

## Airport Plans To—

(Continued From Page 1)

land which the county hopes to sell to help finance the terminal project.

Commissioner Lake Lytal objected to moving ahead with terminal plans saying it was more important to delay the project if there was opportunity to save money on construction costs through use of the present ramp—a move not favored by FAA which approves all plans for the project.

In another action the board approved the hiring of engineers to complete plans for improvement of Lantana and Pahokee airports so as to meet a deadline for use of Federal funds.

The commission also voted to have the board's right of way department move ahead with acquiring land needed at the end of the runways for plane operations.

The board also heard that Federal funds in the amount of \$988,475 have been made available for improvement of Palm Beach International Airport and that a \$32,168 fund is set for improvement of Pahokee airport and \$19,547 for improvement of Lantana airport.

## Hap Parson Named —

tions and programs connected with the opening of the Sumter Correctional Institution in 1965. This institution is one of the most advanced in the nation. It is scheduled for dedication on December 8, 1964 but will not be in operation for several months.

Mr. Parson is married and has two daughters. He is active in local civic affairs and is a member of the Methodist Church, Masons, Belle Glade Chamber of Commerce, Port and Waterways Committee, American Correctional Association, Florida Correctional Association, Florida Correctional Education Association and National Association of Institutional Farm Supervisors.

## Circles In Regular Meetings Monday

Members of the First Methodist church circles in Pahokee were asked to save their coupons for the Methodist childrens home and were shown the Picture Bible Story Book the WSCS is selling at their meetings Monday.

The Gertrude Shirley circle met at the home of Mrs. Al Lavender with Mrs. J. T. Frick co-hostess. Mrs. Ernest Maxwell, chairman, presided at the business meeting. Mrs. Richard Nason presented the program entitled "A New Age Opens New Doors." Miss Lulu Barfield and Mrs. Gene McDowell were welcomed as guests. It was announced that the Dec. 21 meeting will be a Christmas party at the home of Mrs. Leon Spooner.

Mrs. J. L. Reeves was hostess to the Miriam circle Monday night with Mrs. Jack Spencer presiding. The program was presented by Mrs. Gerald Phillips and Mrs. John Briley. Their December meeting will be held at the home of Mrs. Thor Hatton. In the business session plans were made for Thanksgiving and Christmas gifts to the Golden Circle members.

At the Simonson Lair circle, held at the home of Mrs. Joe Hatton, Sr., Mrs. Ralph Stanley acted as co-hostess. The Thanksgiving devotions were led by Mrs. R. J. Schroder and the program by Mrs. John Hatton. The circle will be in charge of flowers for the sanctuary for the month of December. It was reported that there have been a total of 26 visits made to the sick and shut-ins. The December meeting will be a Christmas party at the home of Mrs. H. J. Anderson with members to bring packages or canned goods for the Christmas basket.

## OVERNIGHT GUEST

Rev. John Stewart of Enterprise, Alabama, was the overnight guest of his son and family. Rev. and Mrs. Lawrence Stewart, Sunday night enroute to Miami where he will be preaching at a revival for Rev. Quinn Cooper.

## RETURNS TO PORT MAYACA

Mrs. M. C. Carter plans to return to her home in Port Mayaca during the weekend after being away for the past three months visiting her relatives in Virginia, Ohio, Massachusetts and New Hampshire.

Mrs. Al Lavender, Mrs. Jack Verhulst, Mrs. Wilbur Fletcher and Mrs. J. T. Frick attended the Sunday dinner meeting of the B.P. W. District 8 which was held at Peri's restaurant in Vero Beach.

## Auxiliary Group—

(Continued From Page 1)

pinafores over white blouses. Mrs. Maxson distributed copies of the rules and bylaws of the organization, stressing the need of each member to be familiar with the rules of membership. She will name standing committees at the next meeting.

The group voted to meet regularly the fourth Tuesday of each month at 8 p. m.

## Jimmy Holman Has A Birthday Party

Jimmy Holman, son of Mr. and Mrs. Howard Holman was guest of honor at a dance given in his honor by his parents, in celebration of his 16th birthday, Nov. 7. Door prizes were awarded and the 75 guests danced to the music of the Pahokee Playboys. Mrs. Holman was assisted by Mrs. Frank Rosenberg and Mrs. Edna Pickett.

Mr. and Mrs. Lee Kahle have as their guest, her mother, Mrs. Ida Blanchard of Petoskey, Mich.
